Mistress Eva Archive

2012-2020

Name of Creator: Mistress Eva (fl 2012-2020) dominatrix

Extent: 151 Digital Files

Administrative/Biographical History: Eva Oh, also known as Mistress Eva, is an International Professional and Lifestyle Dominatrix of British-Asian descent. She now resides in Bali, Indonesia.

Mistress Eva is the creator of the world's first online BDSM slave training platform, youwillpleaseme.com; Safeword Podcast and the #teakink web series. Her work, writing and views on BDSM and sex work have been featured in high-profile media that include Washington Post, VICE, DAZED, WIRED, The Daily Beast, Slutever, Sinical Magazine and Kink Queens. Mistress Eva hosts workshops and events to promote BDSM culture worldwide; and she's spoken on panels on sexuality at Burning Man USA, Pink Fest Singapore and Wonderfruit Thailand. Mistress Eva was also named as the face of the German Fetish Ball in 2020.

In 2012 Mistress Eva left a corporate career to begin training as a Professional Dominatrix at the Salon Kitty's Dungeons in Sydney, Australia. Here she apprenticed and worked under the tutelage of Head Mistress Amanda until its close. Since then Mistress Eva has gone on to forge an international career as a Dominatrix and shares this knowledge with her industry through the guide 'How to Tour: Business and Touring Strategies', published in English and Japanese. This guide also forms a part of Mistress Eva's philanthropic efforts with all proceeds received going to organisations that support sex work advocacy.

Mistress Eva has been immortalised by Femdom artist Sardax in a portrait inspired by Guan Yin, the Goddess of Mercy. She is positioned on a celestial throne as her slave girl Aria Luxe kneels at her feet. Mistress Eva's other slaves also surround her, portrayed as ghosts of the spirit world.

Mistress Eva is a proponent in the power of new media and purposefully utilises this medium to promote BDSM culture. Using her social media channels she creates conversations amongst the BDSM community that she features in Safeword Podcast on topics that have included "Submissive Men and Society" and "How has the Coronavirus Affected the BDSM Community". She hosts #teakink, an evolving project whose first instalment is an interview web series with some of the world's foremost Dominatrices; and she also hosts monthly Q&As on her Instagram Live that have included the themes "BDSM and Religion", "The Dungeon versus Domestic Play" and "BDSM and the Workplace".

A purpose built facility to detain her slaves is currently under construction in Bali, Indonesia.
